The spacious lounge is warm and welcoming before leading into the real showstopper...

The Kitchen

Finished to an excellent standard with sleek high-gloss cabinetry, stylish worktops and contemporary tiled splashbacks, this kitchen is as practical as it is beautiful. Whether it's your morning coffee or entertaining friends and family, you'll love spending time here.

The luxurious bathroom continues the theme with full-height tiling, creating a fresh, clean and hotel-inspired finish.

Upstairs you'll find two generous double bedrooms, with the principal bedroom benefiting from a built-in storage cupboard, providing excellent additional storage.

But it's what you don't always see that really makes this home stand out.

The property has benefited from a brand new roof, while the ground floor and flooring have been fully insulated, improving both comfort and energy efficiency. Heating is provided by a Smart Hive controlled central heating system with a modern combi boiler, giving you complete control over your home's heating.

Step outside and the surprises keep coming.

The rear garden has been beautifully landscaped with porcelain patio tiles, artificial lawn and brand new fencing, creating the perfect low-maintenance outdoor space for relaxing or entertaining.

Being an end of terrace property also means you benefit from convenient side access, while to the rear you'll find the added bonus of off-road driveway parking.

This isn't just another rental property—it's a home that has been lovingly renovated to an immaculate standard and is ready for someone to simply move in and enjoy.

Properties finished to this standard rarely remain available for long, so early viewing is highly recommended.
